Co-Chairs Senator Christine Cohen and Representative Joe Gresko, Vice Chairs Slap  
and Palm, Ranking Senator Miner and Representative Harding, Honorable Members  
of the Committee

Desmonds Army Animal Law Advocates would like to thank the Environment  
Committee for raising SB235, AAC Veterinary Reporting of Dogs Used in Animal  
Fighting.

Raised bill 235 gives law enforcement one more tool to fight this crime of dog  
fighting. The bill requires veterinarians to report to local law enforcement information  
about dogs they treated and believe may have been used in animal fighting. By  
making this report the proposed law may not only save the dog treated but also other  
innocent dogs used in the dogfighting ring. Of necessity, the bill gives veterinarians  
protection from civil liability charges in making this report. The protection is fair and  
critical to the success of their involvement in reporting.  
Thank you for supporting this important bill.
